

Login Screen

A diagram of a login screen layout. It features a light gray rectangular container with a dark blue border. Inside the container, the text "Login" is centered at the top. Below it are two white rectangular input fields, one for "Username" and one for "Password", both centered. Further down is a white rectangular button labeled "Not a User?". At the bottom is a blue rectangular button labeled "Create Account".

Tip: Aim to spend ~50% on needs, ~30% on wants, and ~20% on savings.

Based on your budget plan, you're spending too much on utilities and not enough on savings.
